INTERACTIVE VOICE RESPONSE (IVR) 800/392-0938

The Provider Communications Unit toll-free number, 800/392-0938 is answered by an Interactive Voice Response (IVR) unit which requires a touchtone phone. The nine digit Medicaid provider number **must** be entered each time any of the IVR options are accessed. Callers are limited to ten inquiries per call on any of the options. Providers whose numbers are inactive may utilize the IVR only for dates of service during their active status.

- Option 1 Recipient Eligibility
Recipient eligibility **must** be verified **each** time a recipient presents and should be verified **prior** to the service. Eligibility information can be obtained by a recipient's Medicaid number (DCN), social security number and date of birth, or if a newborn, using the mother's Medicaid number and the baby's date of birth. Callers cannot inquire on dates that exceed one year prior to the current date. Callers will be given a confirmation number and this number should be kept as proof of the information received.
- Option 2 Last Two Check Amounts
Using this option, the caller will be given the last two Remittance Advice (RA) dates, RA numbers, and check amounts.
- Option 3 Claim Status
After entering the recipient's Medicaid number (DCN) and the date of service, the caller will be provided the status of the most current claim in the system containing the date of service entered. The caller will be told whether the claim is paid, denied, approved to pay or is being processed. In addition, the system will give the amount paid, the RA date and the Internal Control Number (ICN).
- Option 4 Not currently in use.
- Option 5 Medicaid Information Messages
The caller will be given the option to select from several recorded messages providing the latest information regarding the Medicaid program.
- Option 6 Prior Authorization
This option allows pharmacy providers to verify the status of a prior authorization for an NDC (National Drug Code).

INTERNET SERVICES FOR MEDICAID PROVIDERS

The Division of Medical Services (DMS), in cooperation with Verizon Information Technologies, has an Internet service for Missouri Medicaid providers. Missouri Medicaid providers have the ability to:

- Submit claims and receive claim confirmation files;
- Verify recipient eligibility;
- Obtain remittance advices (RAs);
- Submit Adjustments;
- Submit attachments; and
- View and download public files.

The web site address for this service is www.emomed.com. Without proper authorization, providers are unable to access the site. Only providers who are approved to be electronic billers can enroll and utilize the web site services. To participate in the service, the provider must apply on-line at <http://www.medicaid.state.mo.us/Application.html>. Each user is required to complete this on-line application in order to obtain a user ID and password. The application process only takes a few minutes and provides the applicant with a real-time confirmation response, user ID and password. Once the user ID and password have been received, the user can begin using the www.emomed.com website. The password can be changed to one of the user's own choice.

Questions regarding the completion of the on-line Internet application should be directed to the Verizon Information Technologies Help Desk, (573) 635-3559.

An authorization is required for each individual person within a provider's office or a billing service who will be accessing the Internet site.

This website, www.emomed.com, allows for the submission of the following HIPAA compliant transactions:

837 Institutional Claims	Batched or Individual
837 Professional Claims	Batched or Individual
837 Dental Claims	Batched or Individual
270 Eligibility Inquiry	Batched or Individual
276 Claim Status Inquiry	Batched or Individual

The following standard responses are generated:

835 Remittance Advice	Batch or Printable RA
271 Eligibility Response	Batch or Individual
277 Claim Status Response	Batch or Individual

Users also have access to provider check amounts and the Claims Processing Schedule for the current fiscal year.

There is no cost for this service except for the cost of an Internet service provider access to the Internet. Additionally, there are no special software requirements. However, the user (provider) must have the proper web browser. The provider must have one of the following web browsers: Internet Explorer 5.0 or higher or Netscape 4.7 or higher. The Internet site is available 24 hours a day, 7 days a week with the exception of being down for scheduled maintenance.

VERIFYING RECIPIENT ELIGIBILITY THROUGH THE INTERNET

Providers can access Missouri Medicaid recipient eligibility files via the web site. Functions include eligibility verification by recipient ID, casehead ID and child's date of birth, or Social Security number and date of birth. Eligibility verification can be performed on an individual basis or in a batch file. Individual eligibility verification occurs in real-time basis similar to the Interactive Voice Response System, which means a response is returned immediately. Batch eligibility verifications are returned to the user within 24 hours.

A batch eligibility confirmation file can either be downloaded for viewing purposes or to be printed.

MEDICAID CLAIMS SUBMISSION THROUGH THE INTERNET

The following claim types, as defined by HIPAA Transaction and Code Set regulations, can be used for Internet claim submissions:

- < 837 - Health Care Claim
 - Professional
 - Dental
 - Institutional (hospital inpatient and outpatient, nursing home, and home health care)
- < Pharmacy (NCPDP)

The field requirements and filing instructions are similar to those for paper claim submissions. For the provider's convenience, some of the claim input fields are set as indicators or accepted values in drop-down boxes. Providers have the option to input and submit claims individually or in a batch submission. A confirmation file is returned for each transmission.

A batch claim confirmation file can either be downloaded for viewing purposes or to be printed.

OBTAINING A REMITTANCE ADVICE THROUGH THE INTERNET

The Medicaid program is phasing out the mailing of paper Remittance Advices (RAs). Providers no longer will receive both paper and electronic RAs. If the provider or the provider's billing service currently receive an electronic RA, (either via the emomed.com Internet website or other method), paper copies of the RA are discontinued as of July 20, 2004. Providers and billers are encouraged to move to the Internet to receive RAs.

Receiving the Remittance Advice via the Internet is very beneficial to a provider's or biller's operation. With the new Internet RA, a user can:

- Retrieve the RA the Monday following the weekend claim processing cycle (two weeks sooner than receipt of the paper RA);
- Have access to RAs for 62 days (the equivalent of the last four cycles);
- View and print the RA from the desktop; and,
- Download the RA into the provider's or biller's operating system for retrieval at a later date.

The new Internet RA will be viewable and printable in a ready to use format. Just point and click to print the RA or save it to the computer system for printing at the user's convenience.

If the provider or the biller receives a paper copy of the RA only and not an electronic copy, please consider moving to the Internet to receive the RAs. To sign up for this new, see the instructions at the beginning of this information.

Please note – once signed up to receive the RAs via the Internet, receipt of paper RAs by the provider or a billing service will be discontinued.

ADJUSTMENTS THROUGH THE INTERNET

Providers have options on the Internet Medical, Dental, Inpatient, Outpatient and Nursing Home claims for a "Frequency Code" that will allow either a 7 – Replacement (Adjustment) or an 8 – Void (Credit). This will control an individual adjustment or void, but not group adjustments or voids. Claim adjustments and credits can be submitted by utilizing the CLM, field CLMO5 -3, segment of the 837 Health Care Claim.

RECEIVE PUBLIC FILES THROUGH THE INTERNET

Several public files are available for viewing or downloading from the web site including the claims processing schedule for the State fiscal year which begins July 1 and ends June 30. Providers also have access to a listing of the Adjustment Reason Codes and Remittance Advice Remark Codes.

THE REMITTANCE ADVICE (RA)

The Remittance Advice shows claim payment or denial. If the claim has been denied or some other action taken affecting the payment, the RA lists an "Adjustment Reason Code" to explain the denial or other action. The Adjustment Reason Code is from a national administrative code set that identifies the reasons for any differences, or adjustments, between the original provider charge for a claim or service and the payor's reimbursement for it. The RA may also list a "Remittance Remark Code" which is from a national administrative code set for providing either a claim-level or service-level message that cannot be expressed with a claim Adjustment Reason Code.

If a claim is denied, a new or corrected claim form **must** be submitted as corrections **cannot** be made by submitting changes on the RA pages.

Remittance advices for professional services are grouped in the following order.

- Crossover Part-B - reimbursement greater than zero
- Medical - reimbursement greater than zero
- Crossover Part-B - reimbursement equals zero
- Medical - reimbursement equals zero
- Adjustments
- Credits

Claims in each category are listed alphabetically by the patient's last name.

MEDICARE BILLING TIPS

BILLING WHEN MEDICARE HAS A DIFFERENT PATIENT NAME THAN MEDICAID

On the paper crossover sticker, show the Medicaid name first with the Medicare name in parenthesis behind it, e.g. Smith, Roberta (Bobbi) or Jones (Masters), Gerald.

CLAIMS NOT CROSSING OVER ELECTRONICALLY

If none of a provider's Medicare claims are crossing over to Medicaid electronically, contact Medicaid to see if the provider has a Medicare number on file and that it is the correct one. Although Medicare advises that a claim was forwarded to Medicaid for processing, this does not guarantee that Medicaid received the claim information or was able to process it. If there is a problem with the claim or the recipient or provider files, the claim will not process. **A provider should wait 60 days from the date a claim was paid by Medicare before filing a crossover claim with Medicaid.** If a claim is submitted sooner, it is possible that the provider will receive a duplicate payment. If this occurs, the provider must submit an Individual Adjustment Request form to have Medicaid take back one of the payments.

TIMELY FILING

Claims initially filed with Medicare within Medicare timely filing requirements and that require separate filing of a crossover claim with Medicaid must meet the timely filing requirements by being submitted by the provider and received by the Medicaid agency within 12 months from the date of service or six months from the date on the provider's Medicare Explanation of Medicare Benefits (EOMB), whichever date is *later*. The counting of the six-month period begins with the date of adjudication of the Medicare payment and ends with the date of receipt.

BILLING FOR ELIGIBLE DAYS

A provider may attempt to bill only for eligible days on the Medicaid Part B claim form. In order for crossover claims to process correctly, a provider must bill all dates of service shown on the Medicare EOMB. The Medicaid claims system will catch those days' claims containing ineligible days and the claim will be prorated for the eligible days only.

ADJUSTMENTS

If Medicare adjusts a claim and Medicaid has paid the original crossover claim, then the original claim payment from Medicaid should be adjusted using an Individual Adjustment Request form with both Medicare EOMBs attached to the form.

SECTION 5

MEDICARE PART B CROSSOVER CLAIM REMITTANCE ADVICE (RA)

The Medicare Part B Crossover Claim Remittance Advice shows claim payment or denial of claims that either crossed over electronically from Medicare or were filed as paper crossover claims. If the claim has been denied or some other action taken affecting the payment, the RA lists an "Adjustment Reason Code" to explain the denial or other action. The Adjustment Reason Code is from a national administrative code set that identifies the reasons for any differences, or adjustments, between the original provider charge for a claim or service and the payor's reimbursement for it. The RA may also list a "Remittance Remark Code" which is from a national administrative code set for providing either a claim-level or service-level message that cannot be expressed with a claim Adjustment Reason Code.

If a claim is denied, a new or corrected claim form **must** be submitted as corrections **cannot** be made by submitting changes on the RA pages.

SECTION 6 ADJUSTMENTS

Providers who are paid incorrectly for a claim should use the *Individual Adjustment Request* form to request an adjustment. For credits only, providers may also submit individual adjustments via the Internet. Adjustments may not be requested when the net difference in payment is less than \$4.00, or \$.25 for pharmacy, per claim. If the adjustment is due to an insurance payment, or involves Medicare, the \$4.00, or \$.25, minimum limitation does not apply.

In some instances, more than one change may be necessary on a claim. **All** the changes to the claim must be addressed on the same *Individual Adjustment Request* form. Specify all the changes required, addressing each change separately. Field 15 of the form may be used to provide additional information. More than one claim **cannot** be processed per *Individual Adjustment Request* form. Each adjustment request addresses one particular claim. A separate *Individual Adjustment Request* form must be completed for each claim that requires changes, even if the changes or errors are of a similar nature or are for the same patient.

If an adjustment does not appear on a Remittance Advice within 90 days of submission, a copy of the original *Individual Adjustment Request* and attachments should be resubmitted. Photocopies are acceptable. Mark this copy with the word "Tracer". Submitting another request without indicating it as a "tracer" can further delay processing. Adjustments for claim credits submitted via the Internet get a confirmation back the next day after submission to confirm the acceptance and indicate the status of the adjustment. If the Internal Control Number (ICN) on the credit adjustment is not valid, the confirmation file indicates such. If no confirmation is received, the provider should resubmit the claim credit.

See Section 4 of the Medicaid *Provider Manual* for timely filing requirements for adjustments and claim resubmissions. *Individual Adjustment Request* forms are to be submitted to the address shown on the form.

SECTION 7 FORMS

Prior Authorization

Providers are required to seek prior authorization for certain specified services **before** delivery of the services. In addition to services that are available through the traditional Medicaid Program, expanded services are available to children 20 years of age and under through the Healthy Children and Youth (HCY) Program. Some expanded services also require prior authorization.

The following general guidelines pertain to all prior authorized services.

- A Prior Authorization (PA) Request (yellow form) must be completed and mailed to Verizon Information Technologies, Inc, P.O. Box 5700, Jefferson City, MO, 65102. Providers should keep a copy of the original PA request form as the form is not returned to the provider.
- The provider performing the service must submit the PA request form. Sufficient documentation or information must be included with the request to determine the medical necessity of the service.
- The service must be prescribed by a physician or nurse practitioner.
- PA requests are not to be submitted for services prescribed to an ineligible patient. State Consultants review for medical necessity only and do not verify a patient's eligibility.
- Expanded HCY (EPSDT) services are limited to patients under the age of 21 and are **not** reimbursed for patients 21 and over even if prior authorized.
- Payment is **not** made for services initiated before the approval date on the PA request form or after the authorization deadline. For services to continue after the expiration date of an existing PA, a new PA request **must** be completed and mailed to Verizon.
- An approved prior authorization **does not** guarantee payment.

Whether the prior authorization is approved or denied, a disposition letter will be mailed to the provider containing all of the detail information related to the prior authorization request. All other documentation submitted with the prior authorization request will not be returned. All requests for changes to an approved prior authorization should be indicated on the disposition letter and submitted to the same address as the original prior authorization request. PA requests which are denied must be resubmitted to Verizon with additional documentation as needed. Providers do not have to obtain a new PA request form signed by the prescribing practitioner, but may submit a legible copy of the original PA request.

Instructions for completing the PA request form are found in Section 8 of the Medicaid *Provider's Manual* available on the Internet at www.dss.mo.gov/dms. Instructions are also self-contained on the back of the PA request form.

MISSOURI DEPARTMENT OF SOCIAL SERVICES
DIVISION OF MEDICAL SERVICES
PRIOR AUTHORIZATION REQUEST

Authorization approves the medical necessity of the requested service only. It does not guarantee payment, nor does it guarantee that the amount billed will be the amount reimbursed. The recipient must be Medicaid Eligible on the date of service or date the equipment or prosthesis is received by the recipient. **SEE REVERSE SIDE FOR INSTRUCTIONS.**

Certificate of Medical Necessity

Providers are required to obtain a signed Certificate of Medical Necessity (MN) form for procedures identified in Section 19 of the MO Medicaid Durable Medical Equipment Manual. The following general guidelines apply to all items, services or supplies requiring a MN.

- A MN form must be completed and mailed to Verizon Information Technologies, Inc, P.O. Box 5900, Jefferson City, MO, 65102. Providers should retain a legible copy of the MN form in the patient's record. In the event the first submission of the MN form is denied for additional and/or corrected information, a legible copy may be mailed to Verizon for reconsideration.
- The medical reason why the item, service, or supplies were needed must be stated fully and clearly on the MN form relating to the particular patient involved.
- The item, service, or supply must be prescribed by a physician or nurse practitioner. The original signature of the prescribing individual is required in the "Attending/Prescribing Physician Name" field. An authorized staff member of the DME company who provided the service must sign in the "Provider Signature" field.
- The appropriate modifier must be stated with the HCPCS code on the MN form.
- An approved MN form is valid for six (6) months from the "Date Prescribed". Any claim received matching the criteria, including the modifier, on the MN for that time period can be processed for payment. Additional MN forms must be obtained every six months if the patient's medical need for the service continues.
- Medical consultants and medical review staff review the MN form to make a determination regarding approval of the service. Approval of an MN form does not guarantee payment of claims.

Instructions for completing the Certificate of Medical Necessity form are found in Section 14 of the MO Medicaid Durable Medical Equipment Manual available on the Internet at www.dss.mo.gov/dms.

Oxygen and Respiratory Equipment Medical Justification

Providers are required to obtain a signed Oxygen and Respiratory Equipment Medical Justification (OREMJ) form for procedures identified in Section 19 of the MO Medicaid Durable Medical Equipment Manual. The following general guidelines apply to all oxygen and respiratory equipment requiring an OREMJ form.

- An OREMJ form must be completed and mailed to Verizon Information Technologies, Inc, P.O. Box 5900, Jefferson City, MO, 65102. Providers should retain a legible copy of the OREMJ in the patient's record. If the initial submission of the OREMJ form is denied for additional and/or corrected information, a legible copy may be mailed to Verizon for reconsideration.
- A new OREMJ form must be completed every 12 months. The patient's attending/prescribing physician must reevaluate the patient at the end of the 12-month period to determine if any change in oxygen dosage or discontinuance of oxygen therapy is appropriate. The attending/prescribing physician who has examined the patient should complete sections B, C, and E as well as signing and dating the form.
- The attending/prescribing physician must have seen the patient, in person, within 30 days prior to the original request for oxygen therapy and within 60 days prior to recertification. These same guidelines apply to testing the patients, i.e., obtaining a new Arterial Blood Gas Study (ABG) or an ear or pulse oximetry.
- The appropriate modifier must be stated with the HCPCS code on the OREMJ form.
- The State Respiratory Consultant reviews the OREMJ forms to determine if oxygen therapy will be approved. A prescription for oxygen that states "Oxygen PRN" or "Oxygen as needed" is not sufficient and will not be approved. Approval of an OREMJ form does not guarantee payment of claims.

Instructions for completing the OREMJ form are found in Section 14 of the MO Medicaid Durable Medical Equipment Manual available on the Internet at www.dss.mo.gov/dms.

SECTION 14 DURABLE MEDICAL EQUIPMENT BILLING INFORMATION & HELPFUL HINTS

Modifiers

All claims submitted to MO Medicaid for consideration of payment must be submitted with a modifier in addition to the HCPCS (Health Care Procedure Coding System) code. Services covered in the DME program may be approved for purchase, rental, or repair. Section 19 of the MO Medicaid DME Manual documents coverage for services. The following modifiers are required for billing all services through the DME program:

NU = Purchase
RR = Rental
RP = Repair

Expanded HCY (Healthy Children and Youth) services also require the EP modifier. The requirement of the EP modifier is in addition to the modifier indicating purchase, rental or repair. ***HCY services are restricted to patients under the age of 21.*** Enteral products covered for the HCY population also require either a BA or BO modifier.

Orthopedic Shoes/Modifications

Orthopedic shoes and modifications or additions to shoes are covered only in the following situations:

- The shoe(s) is an integral part of a brace. "Integral" means the shoe(s) is necessary for completing the brace. A pair of shoes may be reimbursed even if only one shoe is an integral part of a unilateral brace.
- The patient is diabetic.
- The shoe(s) and/or modification is medically necessary for a patient under the age of 21.

Shoes, inserts, additions, and/or modifications for diabetic patients must meet the following criteria:

- 1) The patient has a diagnosis of 250.00 – 250.93, 648.80 or 648.83.
- 2) The patient has one or more of the following conditions:
 - previous amputation; or
 - history of previous foot ulceration of either foot; or
 - history of pre-ulcerative calluses of either foot; or
 - peripheral neuropathy with evidence of callus formation of either foot; or
 - foot deformity of either foot; or

- poor circulation in either foot; and
- 3) The physician who is managing the patient's systemic diabetes condition has certified that indications 1 and 2 are met, that he/she is treating the patient under a comprehensive plan of care for their diabetes, and the patient needs diabetic shoes.

Services Provided in a Nursing Home

DME is included in the nursing home per diem rate and not paid for separately with the exception of the following items:

- Augmentative Communication Devices and Accessories
- Custom Wheelchairs
- Power Wheelchairs
- Orthotic and Prosthetic Devices
- Total Parenteral Nutrition
- Volume Ventilators

Calendar Month Billing

Providers are to bill services through the end of the month for all Medicaid patients. Billing for the rental of equipment must state only one month for each line item, billing multiple line items for multiple months on the same claim is acceptable. Prior authorization requests for rental items should also be requested so the provider is able to bill calendar months. Providers should not overlap requested dates to avoid duplicate requests.

Manual Pricing

DME items, services or supplies, which do not have a MO Medicaid maximum allowed amount, are manually priced according to the following guidelines:

- HCY = cost + 20%
- Ostomy = cost + 20%
- Custom wheelchairs and accessories = 85% of the MSRP (Manufacturer's Suggested Retail Price)
- Power wheelchairs and accessories = 90% of the MSRP
- Augmentative communication devices and accessories = 85% of the MSRP
- Orthotics and Prosthetics = cost + 20%

SECTION 15

RESOURCE PUBLICATIONS FOR PROVIDERS

ICD-9-CM

The *International Classification of Diseases, 9th Revision, Clinical Modification* (ICD-9) is the publication used for proper diagnostic coding. The diagnosis code is a required field on certain claim forms and the accuracy of the code that describes the patient's condition is important. The publication can be ordered from the following source.

Ingenix Publications
PO Box 27116
Salt Lake City, UT 84127-0116

HEALTH CARE PROCEDURE CODING SYSTEM (HCPCS)

Medicaid also uses the *Health Care Procedure Coding System (HCPCS), National Level II*. It is a listing of codes and descriptive terminology used for reporting the provision of supplies, materials, injections and certain services and procedures. The publication can be ordered from the following.

SECTION 16

RECIPIENT LIABILITY

State Regulation 13CSR 70-4.030

If an enrolled Medicaid provider does not want to accept Missouri Medicaid as payment but instead wants the patient (recipient) to be responsible for the payment (be a private pay patient), there must be a written agreement between the patient and the provider in which the patient understands and agrees that Medicaid will not be billed for the service(s) and that the patient is fully responsible for the payment for the service(s). The written agreement must be date and service specific and signed and dated both by the patient and the provider. **The agreement must be done prior to the service(s) being rendered.** A copy of the agreement must be kept in the patient's medical record.

If there is no evidence of this written agreement, the provider cannot bill the patient and must submit a claim to Medicaid for reimbursement for the covered service(s).

If Medicaid denies payment for a service because all policies, rules and regulations of the Missouri Medicaid program were not followed (e.g., Prior Authorization, Second Surgical Opinion, etc.), the patient is not responsible and cannot be billed for the item or service.

All commercial insurance benefits must be obtained before Medicaid is billed.

MEDICAID RECIPIENT REIMBURSEMENT (MMR)

The Medicaid Recipient Reimbursement program (MMR) is devised to make payment to those recipients whose eligibility for Medicaid benefits has been denied and whose eligibility is subsequently established as a result of an agency hearing decision, a court decision based on an agency hearing decision, or any other legal agency decision rendered on or after January 1, 1986.

Recipients are reimbursed for the payments they made to providers for medical services received between the date of their denial and the date of their subsequent establishment of eligibility. The recipient is furnished with special forms to have completed by the provider(s) of service. If Medicaid recipients have any questions, they should call (800) 392-2161.
